State and institutional student financial aid programs may also use the information that you provide on this form to determine if you are eligible to receive state and institutional aid and the need that you have for such aid. Therefore, we will disclose the information that you provide on this form to each institution you list in questions 86–97, state agencies in your state of legal residence, and the state agencies of the states in which the colleges that you list in questions 86–97 are located.

If you are applying solely for federal aid, you must answer all of the following questions that apply to you: 1–9, 13–15, 24, 27–28, 31–32, 35, 36–40, 42–49, 52–66, 69–74, 76–85, and 98–99. If you do not answer these questions, you will not receive federal aid.

Without your consent, we may disclose information that you provide to entities under a published “routine use.” Under such a routine use, we may disclose information to third parties that we have authorized to assist us in administering the above programs; to other federal agencies under computer matching programs, such as those with the Internal Revenue Service, Social Security Administration, Selective Service System, Immigration and Naturalization Service, and Veterans Affairs; to your parents or spouse; and to members of Congress if you ask them to help you with student aid questions.

If the federal government, the U.S. Department of Education, or an employee of the U.S. Department of Education is involved in litigation, we may send information to the Department of Justice, or a court or adjudicative body, if the disclosure is related to financial aid and certain conditions are met. In addition, we may send your information to a foreign, federal, state, or local enforcement agency if the information that you submitted indicates a violation or potential violation of law, for which that agency has jurisdiction for investigation or prosecution. Finally, we may send information regarding a claim that is determined to be valid and overdue to a consumer reporting agency. This information includes identifiers from the record; the amount, status, and history of the claim; and the program under which the claim arose.
